Dear Amy,

This letter is written to acknowledge your organization's recent contribution of \$155,000.00. On behalf of each member of the CHRISTUS Stehlin Foundation, I want to express my sincere thanks for your interest in and support of our organization. We are deeply appreciative of your commitment.

All of these funds will help support our various scientific, clinical, and educational projects aimed at improving treatments for patients suffering from cancer.

In accordance with the Internal Revenue Service regulations, no goods or services were provided in exchange for your generous contribution. Thank you again for this kind gesture, which will enable our research efforts to continue.

Sincerely yours,

Robert F. Anderson
Executive Director
