Mission Statement–

Young Texans Against Cancer (YTAC) is a start-up, nonprofit organization comprised of young men and women who have either lost or witnessed a loved one fighting cancer or are seeking to become more actively involved in the cancer community. Our organization is focused on raising funds to help support small and medium sized research organizations, using our member base to increase support for volunteer organizations and helping continue to educate our community on cancer research.

*...use our member base to
increase support for volunteer
organizations ...*

YTAC's annual donations to cancer charities continue to grow exponentially as new members join, older members move into donor roles and friends and family steadily support YTAC's goals.

As illustrated within, YTAC has been able to donate over \$60,000 to a variety of well deserving cancer charities thanks to the financial support of our members and their families and friends. Since YTAC's inception in 2001, nine charities have received monetary donations from YTAC and many more have benefited from the volunteer events that YTAC has hosted throughout its four year history.

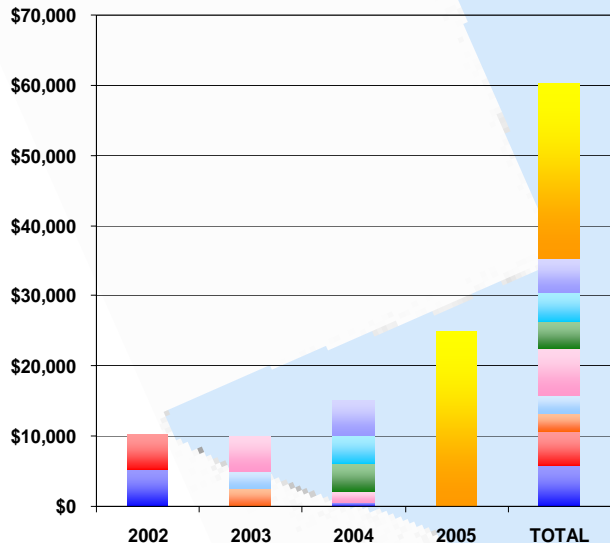

The YTAC board and its members continually strive to fulfill our mission statement while working to expand YTAC's membership base to future generations of Texans. The recruitment of younger members is essential to YTAC's continued growth and imperative to YTAC's longevity.

As we approach our five year anniversary, we ask not only for your continued financial support by sending in the attached donation card and giving copies to friends, but also that you introduce YTAC to recent college graduates and other young adults you think would be interested in our organization.

Sincerely,

ANNUAL GIVING SINCE INCEPTION

- Sunshine Kids (\$25,000)
- Texas Children's Hospital Family Emergency Fund (\$5,000)
- Planet Cancer (\$4,000)
- The Rose (\$4,000)
