Dear Ms. Morgan:

On behalf of the Board of Trustees, I would like to thank *Young Texans Against Cancer* for the generous contribution of \$5,000 to The Periwinkle Foundation. This contribution will support our programs for children with cancer and other life threatening illnesses who are patients at Texas Children's Cancer Center. With your help, these children will have an opportunity to experience the healing opportunities of our programs.

In 1983, our founders wanted children with cancer to just "have fun". Today, The Periwinkle Programs have become an integral part of their healing process. The doctors, nurses, social workers, and parents agree that Camp Periwinkle, Camp YOLO, and Making A Mark® contribute to the well being of these children in such a way that, no matter the end result of their struggle against cancer and other life threatening illnesses, emotionally, they are well, whole, and able to have a fuller life.

Dr. ZoAnn Dreyer says, "For campers who survive and those who have passed away, nothing changed their lives more than camp."

Your gift will be devoted to our tax-exempt purposes and we will not provide benefits or services that require being valued in consideration for it; therefore, it is 100 percent tax-deductible.

Again, thank you for your support and for your interest in improving the quality of life for children with cancer and other life threatening illnesses.

Sincerely,

Pat Prior Sorrells
Executive Director
